

System Improvement Plan

System Goal

At the end of the 2025-26 school year, we will have strengthened and solidified Tier 1 practice for all students under the Inclusive Education Policy, within a Multi-Tiered System of Support (MTSS).

Well-being Goal

Using a relational approach, build authentic, healthy, safe relationships in the classroom and school community to improve, support and sustain students' sense of belonging.

Literacy & Mathematics

Ensure each student experiences success in Literacy & Mathematics
